1. General information

The project entitled “EU ECO-LABEL CRITERIA revision for COPYING AND GRAPHIC PAPER” was commissioned, in year 2008, by the European Commission to APAT - (Italian Agency for Environmental Protection and Technical Services)- Service Contract N° 070307/2007/481956/MAR/G2 “EU Eco-label Criteria for Copying and Graphic Paper”.

The project is composed of 2 Work Packages (WPs) with different tasks:

- Work Package 1 focuses on the development of a Preliminary Report for the revision of the existing Copying and Graphic Paper criteria.
- Work Package 2, based on the WP1 results, focuses on the revision of the existing Copying and Graphic paper Criteria.

The attached document (annex 1) is the result of task 1 for Work Package 1. The document has been prepared by Life Cycle Engineering (LCE), as requested by APAT, contract with LCE (prot. 006029/APAT del 14-02-08), and approved by APAT.
