

Workshop on “Linking Floods Directive and Water Framework Directive”
and
16th Meeting of Working Group F on Floods

Rome, Italy: 8-10th October 2014

Meeting venue:

Società Geografica Italiana
Palazzetto Mattei in
Villa Celimontana
Via della Navicella, 12
00184 Roma
tel. +39 06 700.8279

How to reach the venue:

Below some information on how to reach Villa Celimontana when arriving by air.

Rome is served by two airports: Leonardo da Vinci/Fiumicino and Ciampino.

Leonardo da Vinci Airport in Fiumicino is 30 km far from Rome city centre

You may take an official white taxi directly to the venue. The Rome City Council has fixed a flat fare of **40€** from the airport of Fiumicino to Rome city centre (up to four persons and inclusive of luggage). Please confirm such fixed fare with the taxi driver before boarding the taxi (please note that taxis registered in the city of Fiumicino are entitled to charge **60€**). *NB. see notice below about taxis.*

There are also two trains possibilities from Fiumicino Airport to Rome and to the venue:

1st option: the no-stop train “Leonardo Express” (one-way ticket **14€**) goes directly to the main railway station Termini, and takes 30 minutes. From Termini you may then take a white metered taxi to the venue for no more than **15/20€** (inclusive of luggage). Make sure the meter is switched on. If you are travelling light you might hop on the Metro (underground) B line up to Colosseo stop. From there you can walk for 900 mt and you are arrived

2nd option: Regional train (Orte-Fara Sabina direction Fara Sabina) stopping at Ostiense Station (30 min / one-way ticket **8€**). A taxi rank is conveniently situated outside the Ostiense station where you can take a white metered taxi to the venue for approx **10/12€** (inclusive of luggage). Make sure the meter is switched on.

Ciampino Airport is 15 km far from Rome city centre

You may take an official white taxi directly to the venue. The Rome City Council has fixed a flat fare of **30€** from the airport of Ciampino to Rome city centre (up to four persons and inclusive of luggage). Please confirm such fixed fare with the taxi driver before boarding the taxi

You may also make your way by taking the COTRAL bus (one-way ticket **1,10€**) to the Anagnina Metro Line A (one-way ticket **1,50€**) and get off at Termini. From Main Railway Station Termini a taxi to the venue should not be more than **15/20€** (see notice about taxis).

Important notice about taxis

Use only the official white metered taxis with the meter switched on. The meter starts at 2.80 € (they cannot be on the road if the meter doesn't work). There is no charge for one piece of luggage, thereafter there is a charge of 1.04 € for each additional piece. Sunday, holiday and night supplements are included automatically in the meter tariff. If you are at all uncertain, we suggest that you take note of the taxi number on the car door. It is a small number indicated under "Licenza Numero" Comune di Roma.
