

Ministero dell'Istruzione dell'Università e della Ricerca

Direzione Generale per Internazionalizzazione della Ricerca

Confirmation of commitment to participate in the JPI WATER

We are pleased to inform you that Italy has joined the Joint Programming Initiative WATER

Italy with the Ministry of Education, University and Research is committed to participating and will engage national research activities and resources to contribute to activities under the above mentioned Joint Programming Initiative.

The participation will be based on funding and/or in-kind contributions according to the Strategic Research Agenda to be developed within the JPI

The Representatives at the Governing Board, where strategic decisions on Joint Programming activities (such as establishing strategic research lines, launching calls or financing activities) will be made, will be Mr. Giorgio Pineschi and Mrs. Giuseppina Monacelli

The Representative at the Executive Board, where the strategy defined and issued by the Governing Board will be implemented, will be Ms. Giuseppina Monacelli

Yours faithfully,

Dott. Mario Ali
General Director
Ministry of Education, University and Research
Directorate of International Research
Italy
