### Collaborating Partner

It has been brought to our notice that some delegates have made online payments for registration using their international credit cards. Considering this we are extending the deadline for registration to 30 May 2017. We apologise for the inconvenience.

For more information, please also Click Here | Super Early Bird has been extended till May 30, 2017 Click Here

## ICOMOS 2017

### Heritage and Democracy

## ICOMOS General Assembly & Scientific Symposium 2017, India

ICOMOS holds its General Assembly every year and triennial General Assembly every three years. Till date, ICOMOS has held 18 sessions of its triennial General Assembly. The General Assembly and the Scientific Symposium provides great opportunity for heritage professionals to meet on a common platform to deliberate on various aspects of heritage conservation and management. Young professionals and enthusiasts also get a chance to present their research and to comprehend the emerging issues and case studies on conservation and management of cultural resources.

ICOMOS India is proud to organize the 19th triennial General Assembly in Delhi, India from 11th – 15th December, 2017. The theme of Scientific Symposium is 'Heritage and Democracy'. More than 1,500 delegates from around the world are expected to attend the events. These will provide great opportunity to promote international co-operation and communication in the field of heritage. It is thus an exceptional occasion to meet hundreds of heritage professionals given the diversity of their skills (architects, engineers, curators, building conservation professionals, art historians).

## The Venue

### India Habitat Centre

Lodhi Road, New Delhi, Delhi 110003

## Disclaimer

The 19th General Assembly and Extraordinary General Assembly will take place in Delhi, India at the invitation of ICOMOS India, from 11 to 15 December 2017. The Advisory Committee and Scientific Council meetings (including National Committee and Regional meetings) take place on 9, 10 and 11 December. On 11 December, there will be a short Technical Opening of the Extraordinary General Assembly in the morning related to quorum requirements. The rest of the day is devoted to the Advisory Committee, which is open to National Committee and International Scientific Committee Presidents and their delegations. For the pre-meetings, a separate registration is necessary.
