

# MEDSEALITTER

Developing Mediterranean-specific protocols to protect biodiversity from litter impact at basin and local MPAs scales

MEDSEALITTER Final Event | International conference and workshop  
Roma, Villa Celimontana | June 11-12, 2019

## PROGRAM

### June 11, 2019 | Day 1

Protecting biodiversity from litter impact at Mediterranean and local MPAs scales: a shared protocol in the fight against marine litter

09.00 - 09.30  
Registration and welcome coffee

#### FIRST SESSION

9.30 - 9.45  
Welcome and introduction

**Fabrizio Scarpellini**, president/director of Parco Nazionale delle 5 terre  
MEDSEALITTER movie (2 min)

09.45 - 10.45  
EU and Global Policy Background & Regional Sea Conventions (OSPAR, HELCOM, BARCELONA CONVENTION) UNEP MAP/MATTM/ ISPRA

Biodiversity protection in European funding programme  
**Dania Abdul Malak**, Director of ETC-UMA / Lead Partner

The MEDSEALITTER contribution for local governance and large-scale legislative framework monitoring needs, from project to practice.  
**Antonella Arcangeli**, ISPRA

10.45 - 13.00  
Monitoring and management of marine litter: the MEDSEALITTER protocol for Marine Protected Areas network

The floating protocol: monitoring Floating Marine Macro Litter at large and local MPAs scales - **Lea David**, EcoOcéan Institut and **Morgana Vighi**, UB

The ingestion protocol: monitoring Macro and Micro Litter ingested at large and local MPAs scales  
Main results on floating and risk for biota.  
Main results on ingestion  
Marine Protected Areas (MPAs): Monitoring as key for a good management and governance at local scale. **Fabrizio Atzori**, director of Capo Carbonara marine protected areas.

13.00 - 14.00  
light lunch

#### SECOND SESSION

14.00 - 15.15  
Sharing experiences

ACT4Litter project: joint governance plan for improving marine litter management in Mediterranean MPAs - **Xavier Abril Ferrer**  
The project Interreg MED Plastic Busters MPAs - **Silvia Casini**, University of Siena  
PROJECT INDICIT  
Floating litter around the world - **Giuseppe Suaria**, Ismar CNR  
ACCOBAMS  
MATTM  
Italian national system for environmental protection  
Fishing for litter Italian experience, **Serena Carpentieri**, Legambiente

Seafloor by ISPRA  
**Francesca Ronchi**  
President of Roma Natura **Maurizio Gubbiotti**  
Regione Lazio  
**Cristiana Avenali**

15.15 - 15.30  
Coffee break

#### THIRD SESSION (ROUND TABLE)

15.30 - 17.30  
Marine litter: next steps for future

#### CHAIRMEN

**Armando Fizzarotti**, Parco nazionale delle Cinque Terre  
**Antonella Arcangeli**, Ispra

#### KEY CONTRIBUTORS:

- Parco nazionale delle Cinque Terre
- AMP Capo Carbonara
- EPHE
- ECOACEAN
- MEDASSET
- HCMR
- Legambiente
- Egadi MPA
- UNI Barcelona
- UNI Valencia
- MATTM
- Federparchi - Europarc Italia\*
- Italian national system for environmental protection
- MEDSEALITTER's network contributions

MEDSEALITTER Protocol signature and ratification

### June 12, 2019 | Day 2

Local communities and protected areas in the fight against marine litter and for biodiversity protection

09.00 - 09.30  
Registration and welcome coffee

#### FIRST SESSION

9.30 - 9.45  
WELCOME AND INTRODUCTION  
**Giorgio Zampetti**, Legambiente's executive director

09.45 - 10.00  
Biodiversity protection in European funding programme Representation in Italy of EU

10.00 - 11.00  
Panel discussion: from MEDSEALITTER project a good practice for a plastic free MED

#### CHAIRMAN

**Antonio Nicoletti**, Head of Protected areas and biodiversity conservation Department, Legambiente Onlus

#### KEY SPEECHES:

- Parco Nazionale delle 5 terre
- Ispra
- Ministry for Environment, Land and Sea Protection\*
- French Embassy of Italy\*
- UNI Barcellona
- EPHE

UNI Valencia  
MEDASSET  
HCMR  
Farming, Food, Forestry and Tourism Policies Ministry\*

#### SECOND SESSION

11.00 - 13.30  
The support of local board in marine litter mitigation and good practices of sea fruition

#### CHAIRMAN

**Sebastiano Venneri**, Head of Tourism Policies Department, Legambiente Onlus

#### Key speeches:

- **Stefano Ciafani**, Legambiente's national president
- **Franco Iseppi**, President of the Italian Touring Club
- **Giampiero Sammuri**, President of Federparchi
- Europarc Italia
- **Salvatore Micillo**, State Secretary for the Environment, Land and Sea Protection

Following presentation of "Guida Blu 2019" and Cinque Vele award

MEDSEALITTER Protocol signature and ratification

13.30 - 14.30  
light lunch

\*to be confirmed
