WORK EXPERIENCE

- Dates (from – to) FROM 15/04/2004 – TO TODAY
- Name and address of employer European Commission, 1049 Brussels, Belgium
- Type of business or sector Administration
- Main activities and responsibilities Senior expert in the Directorate-General Environment of the European Commission. The specific domain of interest is the improvement of the knowledge and evidence base for environment policy with the development of the first headline set of Streamlined European Biodiversity Indicators (SEBI) used to assess progress in implementing EU biodiversity strategies, as well as a dashboard to track progress on biodiversity targets, which is publically available online. Coordination of the first EU wide ecosystem assessment to support biodiversity policy. Promotion of the establishment of well-organised and standardized information systems on biodiversity, ecosystems and their services – i.e. ecosystems accounts - to be used consistently across sectors and by decision-maker. Contribution to the reinforcement of ecosystem focus of the EU Regulation on Green Taxonomy, the ecosystem accounting module of the EU Regulation on Environmental Economic Accounts, the Nature Restoration Law. Participation in international meetings from IPBES and CBD, EU SBSTTA Focal Point and nominated EU expert in AHTEG meetings on indicators.

- Dates (from – to) FROM 01/05/2001 – TO 14/04/2004
- Name and address of employer European Commission, 1049 Brussels, Belgium
- Type of business or sector Administration
- Occupation or position held Principal Administrator (Temporary Agent)
- Main activities and responsibilities Within the Nature and Biodiversity of DG Environment, specifically responsible for support for guidance to Member States and stakeholders on implementation of nature conservation in relation to hunting issues and other specific aspects of the Birds and Habitats directives (promotion of the Sustainable Hunting Initiative, preparation of briefings and speeches for the Commissioner and Director-General, technical support to complaints and infringements); responsible desk for Malta; main contact for the issue of nature and biodiversity indicators, monitoring and reporting, which involves regular contact with the other units, DGs, the European Environment Agency and Eurostat; general support to Natura 2000 and biodiversity files; ad hoc assistance on Belgian files.

- Dates (from – to) FROM 01/01/2000 – TO 30/04/2001
  - Name and address of employer Belgian Federal Ministry of Environment, Bd Pachéco 19 bte 5, 1010 Brussels, Belgium
  - Type of business or sector Administration
  - Occupation or position held Expert in European environmental policy
  - Main activities and responsibilities Secretary of the Belgian Co-ordination Committee for International Environment Policy and the Belgian Interministerial Conference for the Environment – i.e. to stimulate co-ordination between the concerned competent authorities for the adoption of official Belgian positions to be formally presented in different international fora (e.g. Commission, Council groups, COPs, etc.).
- 
- Dates (from – to) FROM 01/01/1997 – TO 31/12/1999
  - Name and address of employer Belgian National Focal Point for the European Environment Agency, Avenue des Arts 10-11, 1210 Brussels, Belgium
  - Type of business or sector Administration
  - Occupation or position held Expert in European environmental information
  - Main activities and responsibilities Responsible for the co-ordination of the environment information to be provided by Belgium to the European Environment Agency (EEA), i.e. to ensure that the information flow between local experts and EEA and vice versa is performant; more specifically, to contribute to the improvement of environmental information availability and reliability; to promote the harmonization of information systems in Belgium according to international standards.  
As Chairperson of the Belgian Directory group on environmental information, responsible for the communication between Belgian authorities and international organizations involved in data gathering and reporting. Chairperson of the OECD State of Environment Group and Bureau.
- 
- Dates (from – to) FROM 01/11/1994 – TO 31/12/1996
  - Name and address of employer Belgian Directorate General for Natural Resources and Environment, Walloon region, 15 avenue Prince de Liège, 5100 Namur, Belgium
  - Type of business or sector Regional administration for the environment
  - Occupation or position held Advisor of the Director general on European environment policy (consultant)
  - Main activities and responsibilities Assistance of the Director general for the development of a new waste strategy in Wallonia for 1996-2000 and in particular on the compliance with European and international obligations; this implied good knowledge and contacts with the Commission, OECD and UNECE; specific support for the development of a performant and accessible information system on the environment (*observatoire de l'environnement*) within the framework of the European Environment Agency and Environment Information and Observation Network as well as the developments of the Aarhus convention.
- 
- Dates (from – to) FROM 01/01/1992 – TO 31/08/1994
  - Name and address of employer Task force European Environment Agency of Commission of the European Communities, 200 rue de la Loi, 1049 Brussels, Belgium
  - Type of business or sector Administration
  - Occupation or position held Expert in soil and forest (consultant)
  - Main activities and responsibilities Responsible for the writing of the chapters on the state of the soils and the forests in Europe of the first state-of-environment report, the 'Europe's Environment: The Dobbris assessment' for the European Environment Agency (EEA). Contribution to the first work programme of the EEA, 'Europe 2000+' from DG XVI, the 4<sup>th</sup> Research Framework programme (DGXII), the amendments of Council regulations on forest protection against fires and atmospheric pollution (DG VI) on these topics This work involved close co-ordination, work and contact with UN/ECE and Commission services including Eurostat, and JRC-Ispra. Responsible for the negotiations of the extension of the CORINE projects (Land Cover, CORINAIR, Biotopes) in the PHARE countries (Bulgaria, Hungary, Poland, Czech and Slovak republics, Romania) within the PHARE Regional Environmental Programme (DGI).
- 
- Dates (from – to) FROM 01/01/1986 – TO 31/12/1991
  - Name and address of employer European Science Foundation, 1 quai Lezay-Marnésia, 67080 Strasbourg Cédex, France
  - Type of business or sector International organisation
  - Occupation or position held Secretary of a European forest project
  - Main activities and responsibilities Responsible for the secretariat of the Forest Ecosystem Research Network (FERN) co-funded

by the European Science Foundation and the European Commission (DGXII). This work entailed the co-ordination and networking of the research teams at European level (EC & EFTA) working on forest ecosystems research; this implied the thematic structuration of the network (forest history, forest fires, forest soils, forest modeling), the organization of scientific meetings, the elaboration of a newsletter and a database directory of 400 European research teams, contribution to the 3<sup>rd</sup> and 4<sup>th</sup> Research Framework Programme on the ecosystems component.

## EDUCATION AND TRAINING
